

## Interuniversity Test of Academic English:

### Writing test

The writing test consists of two tasks. You have **max. 1 hour** to complete **both tasks**. Your text should contain all elements described in the assignments. Feel free to add or invent any additional information that you consider relevant.

You can use all MS Word functions, but other aids (dictionaries, internet, etc.) are not allowed.

The following **criteria** will be considered when evaluating your writing test:

- Vocabulary
- Grammar
- Spelling, paragraphing and punctuation
- Coherence and flow

**Task 1: Write an email of 100 to 150 words based on the information below. Please take email conventions into account.**

*Write a well-structured email to inform your pupils on a school trip for a course you teach. Explain how the trip contributes to their learning goals and give all the necessary practical information.*

**Task 2: Write a formal text of 150 to 250 words based on the information below. Please ensure that your text is clear and well-structured.**

*Write a formal text for the school website to explain the benefits and challenges of CLIL teaching.*
